Re: CC Docket No. 01-92 (Intercarrier Compensation-Wireless Termination Tariffs  
Reconsiderations); *Ex Parte* Communication

Dear Ms. Dortch:

On October 25, 2005, Mark Stachiw, Vice President, General Counsel and Secretary of MetroPCS Communications, Inc., accompanied by Carl Northrop of Paul, Hastings, Janofsky & Walker LLP, met with Tamara Preiss, Steve Morris, Randy Clarke, Jay Atkinson and Chris Barnekov of the Commission's staff and made a presentation pertaining to the above-referenced proceeding.

MetroPCS advised the Commission that: (1) the litigation with Supra Telecommunications described in the MetroPCS Petition for Limited Clarification or for Partial Reconsideration filed in the above-referenced proceeding on April 29, 2005 (the "MetroPCS Petition") has been amicably settled and the parties to that dispute have entered into a mutually-agreeable interconnection agreement; (2) there continues to be a need for the clarification and relief sought in the MetroPCS Petition because various non-ILECs have sought to enforce against MetroPCS unilaterally filed tariffs or price lists containing unreasonable rates, and some are not willing to engage in good faith negotiations to implement a reasonable reciprocal compensation arrangement.

Additionally, MetroPCS reiterated arguments and positions set forth in the MetroPCS Petition.

In accordance with Section 1.1206 of the Commission's Rules, 47 C.F.R. § 1.1206, this letter is being electronically filed with your office.
